

Medicare Readmission Penalties By Hospital, Year 4

Medicare will apply these readmissions penalties to reimbursements from Oct. 1, 2015, through Sept. 30, 2016, which is the 2016 federal fiscal year (FY2016). This chart shows the penalties for all four years of the program. Maryland hospitals were not penalized because the state has a unique reimbursement arrangement with Medicare. Also exempt are certain cancer hospitals, critical access hospitals as well as hospitals dedicated to psychiatry, rehabilitation, long-term care and veterans. Medicare also excluded hospitals that had too few cases to be fairly evaluated.
